Resolution No. DCSD/2022/17

Dear DCSD Members,

**Subject : API Access Mandatory for
Creation of NINs (Individuals)**

With reference to the attached email sent to all Members on date **26 Dec 2021** please find below:

In a bid to streamline investor issuance channels and digitize its service's offering, Dubai CSD introduced a real time investor number issuance API service in December 2021.

We would like to thank all Members who have completed their integration, testing, and went live, all other brokers are requested to complete their integration and testing with a go live deadline of **30 December 2022**.

Kindly note that starting from **January 2023**, Dubai CSD will stop receiving Investor Number Requests **for Individuals** via DFM eService's, all Members must submit their requests on the API only. Members may provide access to this API through different channels such as App, website or counters. As a result, the current channels will become unavailable.

Please find attached the following documents:

1. Business Process and Software Design Document.
2. API Terms & Conditions and Testing Scenarios .
